

# Beth Tfiloh Dahan Community School

August, 2011

Dear Parents and Students of the Class of 2012,

It's hard to believe that you are about to begin your last year of high school. We, your advisors, know that you've worked hard to get here, and we are eager to see each of you and to continue the college guidance process that you began as juniors. This letter is to serve more as a reminder of things you have already been told but which are important enough for us to reiterate.

- For those of you who still need or want to take the SAT and ACT exams we encourage you to use the College Board and ACT websites to help you register for the exams. Please watch the deadlines and register in a timely fashion. The ACT is first offered in September, and the SAT is first offered in October.
- This year we have built two days into the school schedule for college visits, September 23 and October 10. This should give you the opportunity to visit several colleges without missing a day of school. We encourage you to make arrangements with the college admissions offices as soon as possible. On both of these days absences will not be counted.
- The community service requirement for the senior year is 36 hours. You are allowed to carry over a maximum of 26 hours from your junior year. Documentation of completed hours should be turned in as soon as they are completed and throughout the year.

Senior year is an exciting and unique time, culminating with the senior trip and the internship program. The faculty and administration look to you, as the student leaders in the school, to demonstrate the character and integrity that the underclassmen can, and should, emulate. We're looking forward to a fantastic year.

Fondly,

Mrs. Ginsberg  
Director of  
College Guidance

Mrs. Zigelman  
College Counselor

Mrs. Steinberg  
College Counselor

Mrs. Caryn Lerman  
College Counselor

**PreSchool through High School** Learning together. **For life.**
