

Beth Tfiloh Dahan Community School

8/1/10

Dear Parents,

Enclosed please find a copy of your child's accommodation sheet, which highlights his or her academic strengths, areas of difficulty, and the types of teaching strategies and accommodations that may help him maximize his or her academic success. Review it carefully with your child and sign below indicating that you have received a copy of the accommodations and you are in agreement with its contents. Please keep the accommodation sheet for your records. A copy will be distributed to your child's teachers for reference at the beginning of the year.

If the accommodation sheet indicates that your child requires extended time or other accommodations for testing in school, he or she may be eligible to receive those accommodations on standardized PSAT, SAT, ACT, and AP exams. In order to be granted those accommodations, we must submit an application to the College Board and/or the ACT. Please call me for more information about the application process.

Students who have already been approved for accommodations on the College Board exams should be aware that the College Board requires us to keep records of how often and to what extent the students use their accommodations within the school setting. Any students who have already been approved for SAT accommodations, but who do not regularly use their accommodations in school, will lose the ability to have them for the College Board exams.

Please return one copy of your signed letter to the Academic Support Office by August 13, 2010. If you have any questions or concerns about your child's accommodation sheet or wish to discuss making changes to the accommodations listed, I encourage you to contact me at 410-413-2235.

Thank you for your support of Beth Tfiloh's mission to provide the best possible education for each and every child and for your involvement in your child's education.

Sincerely yours,

Mrs. Deborah L. Rapoport
High School Assistant Principal
