

Beth Tfiloh Dahan Community School

July 30, 2010

Dear High School Students and Parents,

Welcome to the 2010-2011 school year. The Athletic Department has been spending the summer getting ready for the upcoming fall athletic season. We look forward to many of our students becoming a member of our eight fall athletic teams. As a member of the MIAA boys league and the IAAM girls league, Beth Tfiloh offers our athletes a high quality athletic experience.

In addition to this introductory letter, this athletic packet provides both coaches' contact information and pre-season practice information for your review. Please call the individual coaches with any specific questions about the program not covered by the fall pre-season practice information sheet.

ALL athletes must have the [medical clearance sheets](#) completed prior to the first game and/or scrimmage in order to be eligible to participate. These need to be handed in as soon as possible to the High School office (**not coaches**).

Review the pre-season practice information sheet about practice dates and sites.

Feel free to call the **ATHLETIC HOTLINE (410/486-1901, 6, 4)** to hear the preseason practice information. We are currently loading the fall team schedules on the web site for your review. Any changes will be listed on each team page and e-mails will be sent to athletes and parents each time a schedule change is made.

After teams are selected, all parents and athletes need to use the team web page to get information about their team's schedule and activities.

Lastly, Beth Tfiloh will be utilizing the services of the **Kassimir Physical Therapy** practice (Gary Kassimir) to provide Athletic Trainer coverage for all home varsity athletic contests and other athletic consultation services to all our athletes. Feel free to call their office at 410-415-5905 if you have any athletic injury questions.

Good luck to all our athletes and teams. **GO WARRIORS!!!**
