

Beth Tfiloh Dahan Community School

August 2011

Dear Parents,

Welcome to a new school year! I am looking forward to another wonderful year of joy and inspiration! Our focus this year is "Individuality" We will be systematically observing and documenting your children's growth and getting to know who they are as unique individuals so we can plan a program that inspires children to think, create and question. Your child's individual interests and needs are a crucial part of their education and important to us so that we can build relationships and create a program that meets your child's needs.

If you need anything please stop by... my door is always open!
