

# THEY DESERVE AN EQUAL START

*Every dollar makes a difference.*

**J**oin our school supplies drive and help Ethiopian children in Israel get a better start to the school year. Your donation will help thousands of Ethiopian immigrants in Israel living beyond the poverty line prepare their children for the school year.

Donations can be sent in to the Youth Center or added to your School Book Store order form.

*This project is sponsored by the Beth Tfiloh Student Government in conjunction with Kedma, an International Student Organization.*

“The scarcity of school supplies still persists. Teachers report that only 58% of the newer Ethiopian immigrant children come to school with the materials they need each day.. This is due to several factors, including the lack of supplies and books.”
