"The Cookie Minyan," is our PreSchool Service, held every Shabbat and holiday under the dynamic leadership of Gan Aleph teacher, Marci Globerman. It is designed to meet the needs of children and parents alike.

Once a month the service will include a Birthday Celebration of all of those children born during that month. The Birthday Service will have a special kiddush and visits from Rabbi Chai, Mrs. Lebowitz and many of your favorite teachers. The birthday dates are: September 10, October 15, November 12, December 3, January 14, February 4, March 17, April 21, May 19, and June 9 (July and August birthdays also)
